---

## Education

Oregon State University 2021-present  
BS Computer Science  
GPA: 3.92

University of Tennessee, Knoxville 2016  
B.Ed. Kinesiology  
GPA: 3.55  
Cum Laude

## Courses and Languages

Python

I've used python to create a 650-line board game, 700-line audio processing application using system calls along with using python in the courses Data Structures, Algorithm Analysis and have used flask on my own

JavaScript, MYSQL

Node and JavaScript was my language of choice in web development when creating a MERN app to track workouts. I created a database for tracking local crime with JavaScript UI and MYSQL back end

## Work Experience

Oregon State University, remote 2022  
Teaching Assistant (Analysis of Algorithms)  
I held office hours to help students with questions, guide them in  
The right direction for assignments and graded assignments

Ka Lani Massage Specialists, Greenland, NH 2020 – Present  
Licensed Massage Therapist  
Helped clients relieve pain and rehab injuries through massage education  
and knowledge of available resources

## Other Experience / Volunteering

Special Olympics Durham NH 2010  
Helped participants get to events and provided encouragement  
Global medical training- Panama mission trip 2015  
Helped doctors to treat people in rural panama who otherwise don't have access to  
medical care  
High School Golf Coaches Award. 2007-2010  
I played 3 years of varsity golf and was awarded the coaches award for best scoring  
average on state runner up golf team
